Explanation - This amendment reduces the HB 2 base general fund appropriation for the Child Support Enforcement Division by \$1,894,588 in FY 2010, and \$473,647 in FY 2011 for a total general fund reduction of \$2,368,235. These amounts could be replaced with federal funding in LC 2314, which addresses the stimulus funds. Funds are available because the American Recovery and Reinvestment Act reverses action by the Deficit Reduction Act of 2005 that created a federal fund to general fund funding switch.
